

Because access to your prescribed medication is important

Amgen FIRST STEP™ Program Is Here to Help All Eligible Commercially Insured Patients

To Qualify for the Program**†, You:

- Must be prescribed Neulasta® (pegfilgrastim), NEUPOGEN® (filgrastim), Nplate® (romiplostim), XGEVA® (denosumab), Prolia® (denosumab), Vectibix® (panitumumab), or IMLYGIC™ (talimogene laherparepvec) treatment
- Must have private commercial insurance that covers medication costs for Neulasta®, NEUPOGEN®, Nplate®, XGEVA®, Prolia®, Vectibix®, or IMLYGIC™
- Must not be a participant in any federal-, state-, or government-funded healthcare program such as Medicare, Medicare Advantage, Medicare Part D, Medicaid, Medigap, Veterans Affairs (VA), the Department of Defense (DoD), or TRICARE
- May not seek reimbursement for value received from the Amgen FIRST STEP™ Program from any third-party payers, including flexible spending accounts or healthcare savings accounts. If at any time patients begin receiving coverage under any federal-, state-, or government-funded healthcare program, patients will no longer be eligible to participate in the Amgen FIRST STEP™ Program and must call 1-888-65-STEP1 (1-888-657-8371) Monday through Friday, 9 AM-8 PM EST to stop participation. Restrictions may apply. Amgen reserves the right to revise or terminate this program, in whole or in part, without notice at any time. **This is not health insurance**

Please refer to the accompanying full Vectibix® Prescribing Information, including **Boxed Warning**.

* Not valid where prohibited by law.

† Coverage limits apply. See back page for details.

Coverage Limits/Program Maximums:

- Enroll before any treatment with the Amgen product
- Program covers out-of-pocket medication costs for the Amgen product only. Program does not cover any other costs related to office visit or administration of the Amgen product. Other restrictions may apply
- No out-of-pocket cost for first dose or cycle; \$25 out-of-pocket cost for subsequent dose or cycle; for Neulasta®, NEUPOGEN®, Nplate®, XGEVA®, Vectibix®, and IMLYGIC™ maximum benefit of \$10,000 per patient per calendar year; for Prolia®, maximum benefit of \$3,000 per patient per calendar year. Patient is responsible for costs above these amounts
- Ongoing activation of the applicable Amgen FIRST STEP™ card is contingent on the submission of the required Explanation of Benefits (EOB) form by your healthcare provider's office within 45 days of use of the Amgen FIRST STEP™ card. Patients will be responsible for reimbursing the program for all amounts paid out if the EOB for the date of service is not received by the program within 45 days

For more information, visit www.AmgenFIRSTSTEP.com, call **1-888-65-STEP1**, or talk to your doctor's office

For eligible patients with commercial health insurance* who have been prescribed an Amgen product

Amgen FIRST STEP™ Program Is Here to Help

The Amgen FIRST STEP™ Program can help eligible commercially insured patients meet their deductible, co-insurance, and/or co-payment (out-of-pocket) requirements for their prescribed Amgen product.*

No income eligibility requirement
Pay \$25 out-of-pocket
per dose or cycle†

Program maximums reset every calendar year

Join the Amgen FIRST STEP™ Program:

Checking eligibility and enrolling in the program is fast and easy.
You have **three options** to join the program:

OPTION 1

Your doctor's office can enroll you

OPTION 2

Your specialty/retail pharmacy can enroll you

OPTION 3

You can enroll yourself

* See inside for eligibility criteria.

† Coverage limits apply. See back page for details.

www.AmgenFIRSTSTEP.com
or **1-888-65-STEP1**

See inside for enrollment options

Enrollment Option 1:

Your doctor's office enrolls you

- 1 Work with your doctor's office to enroll in Amgen FIRST STEP™ and activate your program card
- 2 Receive treatment with the Amgen product
- 3 Contact your health plan to request an itemized **Explanation of Benefits (EOB)*** if your doctor's office is not able to obtain additional documentation required by the program
See below to learn how to obtain the required EOB
- 4 Pay reduced out-of-pocket for the Amgen product after your doctor's office uses the program card

*An itemized EOB is a statement from your health plan that typically indicates the amount your insurance covers, along with your responsibility in out-of-pocket costs, for each service and/or product provided by your doctor's office

How to obtain the required EOB

- Call your health plan's member services
—The phone number can be found on your insurance card
- Ask for an itemized EOB that indicates:
— The Amgen product you received
— The date you received the Amgen product (often referred to as the date of service)
— Your financial responsibility for the Amgen product

Enrollment Option 2:

Your participating specialty/retail pharmacy enrolls you

- 1 After being prescribed the Amgen product, work with your participating specialty/retail pharmacy to enroll in Amgen FIRST STEP™ and activate your program card
- 2 When it is time for the specialty/retail pharmacy to collect your out-of-pocket, the specialty/retail pharmacy will confirm that you are eligible for Amgen FIRST STEP™ program support
- 3 Pay reduced out-of-pocket for the Amgen product after your specialty/retail pharmacy uses the program card
- 4 Your specialty/retail pharmacy ships medication directly to the site of care or to you, and you receive treatment with the Amgen product

Enrollment Option 3:

You enroll yourself

- 1 Visit www.AmgenFIRSTSTEP.com to enroll and activate your program card
- 2 Receive treatment with the Amgen product
- 3 Contact your health plan to request an itemized **Explanation of Benefits (EOB)**
See below left to learn how to obtain an itemized EOB
- 4 Pay full out-of-pocket for the Amgen product and ask your doctor's office for the proof of payment
- 5 Submit required documentation to Amgen FIRST STEP™:
 - **Completed check request form** (located at www.AmgenFIRSTSTEP.com)
 - **Required EOB**
 - **Proof of payment (receipt)**
- 6 Receive a reimbursement check from Amgen FIRST STEP™
